

# Dealertrack Digital Delivery - Remote Signing

For All Nissan Dealers

Publish Date: January 19, 2022

We are excited to announce the launch of **Dealertrack Remote Signing**. Remote Signing delivers a fast, easy and more secure way for you to finalize deals – no matter where your customers are located.

## Remote Signing Rollout

Dealertrack will automatically migrate dealerships enrolled in assisted Remote Signing (aRS) to Remote Signing. Migration will be completed in 4 waves on the following days: 1/19/2022, 1/24/2022, 2/7/2022 and 2/24/2022. Note: Following migration, dealerships will have access to both signing experiences.

If you are not currently enrolled in Remote Signing, please reach out to your Dealertrack Rep. for enrollment details.

## Remote Signing Key Benefits

- **Secure signing process:** Send deal documents to customers for a secure signing, complete with multi-factor authentication to help confirm their identity\*
- **Buyers sign on their time:** Your buyers can review, sign and download their deal documents on their schedule (as long as it's completed by 3 a.m. EST the next day)
- **Multiple device support, including mobile phones**
- **Makes re-contracting easier!**

*\*Customer must take delivery in the state they are in as out-of-state deliveries are not available at this time.*

## Types Of Docs That Can Be Signed Remotely:\*

- **Compliance:** Credit Application, Credit Bureau Authorization, Privacy Notice
- **Digital Contracting:** Funding Package Documents
- **Aftermarket and Final Menu Contacts**
- **Dealertrack DMS Laser Forms:** Select lender and state forms that accept eSignatures
- **Any uploaded form with Ready Sign**

*\*Depending on state requirements, some documents may require a wet signature (check local state laws for specifics).*
