* A positive (negative) balance of opinions corresponds to a rise (fall) in the evolution of activity. Balances of opinions have fallen back slightly but remain above their long-term average overall. However, it is expected to remain robust in September. For further details see [CON-IND-SER-BAW](#) in the methodology, the publications calendar, the [contacts](#) and all statistical time series published by the Banque de France can be accessed [WEBSTAT Banque de France](#)

Activity is expected to remain robust in September. Business leaders expect a steady recovery in activity in September.
