

Paris, 27 November 2015

PRESS INFORMATION

The ERAMET group wishes to announce a restructuring of Delegate CEOs at its mining divisions, in order to assign the functions currently carried out by the two Delegate CEOs of the Manganese and Nickel divisions to a single Delegate CEO.

Philippe VECTEN will henceforth undertake responsibility as Delegate CEO of the Nickel division, in addition to his responsibilities as Delegate CEO of the Manganese division.

He reports to Patrick BUFFET, Chairman & CEO of the ERAMET group.

ABOUT ERAMET

ERAMET is a leading global producer of:

- alloying metals, particularly manganese and nickel, used to improve the properties of steel,
- high-performance special steels and alloys used in industries such as aerospace, power generation and tooling.

ERAMET is also developing activities with high growth potential, such as mineral sands (titanium dioxide and zircon), lithium and recycling.

The Group employs approximately 14,000 people in 20 countries. ERAMET is part of Euronext Paris Compartment A.
