

**OSEO RENEWS MEMSCAP STATUS OF “INNOVATIVE COMPANY”  
WITHIN THE FRAME OF VENTURE CAPITAL FUNDS FCPI INVESTMENTS**

**Grenoble, France and Durham, North Carolina, July 2, 2012** – MEMSCAP (NYSE Euronext: MEMS), (Euronext: MEMS), the leading provider of innovative solutions based on MEMS (micro-electro-mechanical systems) technology, today announces that its certification of « innovative company » has been renewed by OSEO, within the frame of Venture Capital Funds FCPI investments.

The status of innovative company, which is valid for renewable periods of 3 years each, is awarded by OSEO to companies actively involved in innovation. The certification is given after a thorough technical and business control of the development conditions of the companies' innovation projects. Being certified « innovative company » is necessary for each company wishing to enable innovation investments by Venture Capital Funds (FCPI).
