ARKEMA FILES AN UPDATE TO ITS 2013 REFERENCE DOCUMENT

Arkema announces that it released an update to its 2013 Reference Document, filed with the French *Autorité des marchés financiers* (AMF) on November 18, 2014 with number D.14-0221-A01.

This update of the 2013 Reference Document includes the 2014 half-year financial report and presents the Bostik group acquisition project¹ and the related pro forma financial data prepared in this context.

The update of the 2013 Reference Document is available under the heading Investor Relations, section Annual reports, of Arkema's website (www.finance.arkema.com) as well as on the AMF website (www.amf-france.org).

A global chemical company and France's leading chemicals producer, Arkema is building the future of the chemical industry every day. Deploying a responsible, innovation-based approach, we produce state-of-the-art specialty chemicals that provide customers with practical solutions to such challenges as climate change, access to drinking water, the future of energy, fossil fuel preservation and the need for lighter materials. With operations in more than 40 countries, some 14,000 employees and 10 research centers, Arkema generates annual revenue of €6.1 billion, and holds leadership positions in all its markets with a portfolio of internationally recognized brands.
