

PRESS RELEASE

Press release

Paris, October 20, 2014

Mr. Pierre Blayau, Chairman of AREVA's Supervisory Board, and Mr. Bernard Bigot, Vice-Chairman of the Supervisory Board, the members of the Board and the members of the Executive Board have learned with great sadness of the illness of Mr. Luc Oursel, Chief Executive Officer.

Their first thoughts are best wishes for Luc Oursel and for his speedy recovery.

The Supervisory Board, which will hold its next meeting this Wednesday, will take the necessary measures to ensure the sound operation of the company until the next General Assembly.

MORE ABOUT AREVA

AREVA is a world leader in nuclear power. The group's offer to utilities covers every stage of the nuclear fuel cycle, reactor design and construction, and operating services. Its expertise and uncompromising dedication to safety make it a leading industry player.

AREVA also invests in renewable energies to develop, via partnerships, high technology solutions.

Through the complementary nature of nuclear and renewables, AREVA's 45,000 employees contribute to building tomorrow's energy model: supplying the greatest number of people with energy that is safer and with less CO₂.
