

Cegedim: Acquisition of ASP Line in France. Deal will strengthen its positions in the French market for pharmacy computerization.

- ASP Line, number 4 pharmacist software publisher in France
- More than 1,300 pharmacies served
- Software rental business model

Paris, July 3, 2012 – [Cegedim](http://www.cegedim.com), a global technology and services company specializing in the healthcare field, announces the acquisition of ASP Line, France's fourth-largest publisher of pharmacist software.

A family company with a human scale founded some 20 years ago and present around the country, serving more than 1,300 pharmacies, ASP Line offers technologically advanced software available for rental.

With this acquisition, the network of maintenance activities built up around Cegedim solutions is now the leading IT services center for pharmacies in France.

Cegedim Healthcare Software (CHS) thus strengthens its position in the European healthcare software market, and especially its leadership position in the pharmacy computerization market in France.

Generating synergies with other Group's activities, this acquisition brings with it significant development potential for the years ahead.

Financed by internal financing, these activities represent annual revenues of around 9 million Euros and will be part of the consolidation scope of Cegedim Group from July 1st, 2012.
