PROCESSING OF THE SQUEEZE OUT FOR THE SHARES ISSUED BY THE COMPANY

This press release has been prepared and published pursuant to article 237-16 III of the French Market Authority (the "AMF") General Regulations.

Following the simplified public tender offer for the shares issued by ENTREPOSE Contracting (the "Offer"), which has been processed from May 25 to June 14, 2012 included, VINCI owns directly and indirectly 5,029,569 ENTREPOSE Contracting shares representing 97.37% of its capital and at least 98.08% of its voting rights¹.

The shares not being presented at the Offer by the minority shareholders represent 2.63% of the capital and a maximum of 1.92% of the voting rights of ENTREPOSE Contracting¹.

Pursuant to its intention expressed in the information document relating to the Offer, which has been granted visa number 12-217 by the AMF on May 22, 2012, pursuant to a clearance decision dated May 22, 2012, VINCI has decided to proceed with the squeeze out of the ENTREPOSE Contracting shares that it does not already own, pursuant to articles L. 433-4 III of the French Monetary and Financial Code and articles 237-14 et seq. of the AMF General Regulations.

The squeeze out will target all the ENTREPOSE Contracting shares not already owned, directly and indirectly, by VINCI, i.e., 135,839 shares representing 2.63% of the capital and a maximum of 1.92% of the voting rights of ENTREPOSE Contracting¹, and will be realized at the same price as the Offer price, i.e., upon compensation of EUR 100 per ENTREPOSE Contracting share, net of any fee.

In accordance with the calendar published by the AMF in its notice n°212C0776 dated June 18, 2012, the processing of the squeeze out will be carried out on June 20, 2012, date on which the ENTREPOSE Contracting shares will be delisted from the regulated market managed by NYSE Euronext in Paris.

The compensation amount will be deposited by VINCI on June 20, 2012 in a blocked account opened for this purpose with CACEIS Corporate Trust, 14 rue Rouget de Lisle, 92130 Issy les Moulineaux, which centralizes the compensation transactions, where the depositary establishments will be able to request the compensation due to their clients, as from June 21, 2012. In accordance with article 237-6 of the AMF General Regulations, the non-allocated funds corresponding to the compensation for the shares whose beneficiaries remained unknown will be kept by CACEIS Corporate Trust for ten years as from June 20, 2012 and deposited to the French *Caisse des dépôts et consignations* after the expiration of such limit. These funds will remain available for their beneficiaries, subject to the completion of the thirty-year French State prescription.
