CON_IND_SER_BAT_22S2_en - business industry services construction-march-2022.pdf

For further information, please refer to the survey on prices and costs in the manufacturing sector (the contacts and all statistical time series published by the Banque de France can be accessed [WEBSTAT Banque de France](#)).

Order books weakened but remained above their long-term average. Business leaders reported an increase in cash positions.

Staff levels continued to grow at a sustained pace, particularly in business services.

Business leaders anticipate a very slightly decline in activity in April.

Business leaders expect activity to rise further in April.

Business leaders expect activity to increase very slightly in April, but the medium-term outlook is shrouded in significant uncertainty, due to supply difficulties and the conflict in Ukraine.
