Générale de Santé enters into exclusive negotiations in view of acquiring the control of Hôpital Privé Métropole group

Générale de Santé announces that it has entered into exclusive negotiations with Hôpital Privé Métropole group (HPM) in view of acquiring the control of HPM group, which operates 9 care facilities in Lille metropolis.

Through this project, Générale de Santé would strengthen its healthcare provision throughout the territory of Health of the Lille area.

About Générale de Santé:

Générale de Santé, listed on the Euronext Paris Eurolist (formerly known as the Premier Marché) since June 2001, is included in the Midcac Index. The leading private healthcare and services group. Générale de Santé has 19.000 employees, including 7.000 nurses and 4.000 care staff in 75 facilities and centers.

With almost 4.500 practitioners, it is the leading independent medical community in France. As a major player in hospital care, Générale de Santé covers the entire healthcare chain: medical, surgery and obstetrics, oncology, after-care and rehabilitation, and home medical services. Générale de Santé has developed a unique healthcare offering combining quality and safety of care, efficient organization, and a human touch. The Group offers comprehensive care with personalized support before, during, and after hospitalization, taking into account all aspects of the patient's needs; it also operates in the public health service and national healthcare network.
