

Release of half year 2012-2013 Financial Report ended September 30th, 2012

Paris, France – November 30, 2012 – The 2012-2013 Interim Financial Report of ATARI on the first six months ended September 30, 2012 is available and can be accessed in the “Financial Publications” part of the ATARI website (<http://www.atari.com/corporate/financial-publications>).

This document includes the half year consolidated statements, the half year activity report, the statement of the person responsible for the half year financial report as well as the report of statutory auditors on the half year consolidated financial statements.

* * *

This press release contains forward-looking statements with respect to the financial condition, results of operations, business, strategy and plans of Atari. Although Atari believes that such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance. Actual results may differ materially from the forward-looking statements as a result of a number of risks and uncertainties, many of which are outside Atari's control, and notably some risks described in the 2011/2012 Document de référence of the group filed by Atari with the Autorité des Marchés Financiers (AMF: French securities regulator) on July 30, 2012 under number D.12-0770 and which is also available in English on Atari's corporate web site (<http://www.atari.com>). The present forward-looking statements are made as of the date of the present press release and Atari disclaims any intention or obligation to provide, update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

About Atari, SA

Atari (www.atari.com) is a multi-platform, global interactive entertainment and licensing company. The original innovator of video gaming, founded in 1972, Atari owns and/or manages a portfolio of more than 200 games and franchises, including world renowned brands like Asteroids®, Centipede®, Missile Command®, Pong®, Test Drive®, Backyard Sports® and RollerCoaster Tycoon®. Atari capitalizes on these powerful properties by delivering compelling games online (i.e. browser, Facebook® and digital download), on smartphones and tablets and other connected devices. The Company also develops and distributes interactive entertainment for video game consoles from Microsoft, Nintendo and Sony. As a licensor, Atari extends its brand and franchises into other media, merchandising and publishing categories.
