

## PRESS RELEASE

### **Ingenico announces appointments at its Management Board**

**Paris – November 26, 2012.** Ingenico (Euronext : FR0000125346 - ING), leading worldwide provider of payment solutions, today announces appointments at its Management Board, reporting to Philippe Lazare, President and CEO.

Jacques Guérin is appointed EVP Chief Solutions Officer, responsible of Ingenico's global product offering, from design through delivery to local sales teams. The Sales & Marketing division headed by Christopher Coonen, the R&D and Technology division headed by Michel Léger and the Mobile Payment division headed by Jean-Marc Thienpont will report to him. This new organisation is aimed at reinforcing the coordination between Corporate and Regions for the development of innovative offers and at accelerating product introduction, in line with Group's strategy.

Succeeding to Jean-Marc Thienpont, Joëlle de Saint Martin joins the Group as Head of M&A, reporting to Patrice Durand, EVP, Chief Finance & Operations Officer.

In addition, Chloé Mayenobe, EVP Audit & Risk, joins the Management Board.

Furthermore, Catherine Blanchet is appointed VP Investor Relations and Corporate Communication, also in charge of strategic competitive intelligence, with the objective of further developing Ingenico's international profile among investors, media and opinion leaders, with the support of Rémi Calvet.

*Jacques Guérin, 52 years old, started his career at Aéroports de Paris and Groupe Air France where he held several roles at Air Inter and Servair during 10 years. He then worked for 6 years at Groupe Amaury first as Managing Director of Le Parisien newspaper and then as Group CEO, before holding the positions of EVP Marketing and Sales at La Poste – Mail division and CEO at Penauille Servisair. His last role was President and owner of Corail, a software start-up company. He is a graduate from Ecole Polytechnique and Ecole Nationale de l'Aviation Civile.*

*Joëlle de Sain Martin started her career at Arthur D Little as consultant. She then worked during 15 years in M&A and strategy for Valeo and British Telecom. Prior to joining Ingenico she was SVP M&A Corporate Development at France Telecom since 2009. Joëlle graduated from ESPM (Ecole Supérieure de Physique et Chimie Industrielles) and ENSPM (Ecole Nationale Supérieure des Pétroles et Moteurs).*
