

Bigben Interactive Partners with Sony Interactive Entertainment Europe to Bring the New REVOLUTION Pro Controller To PS4™

Lesquin (France), October 20, 2016 – Independent designer, manufacturer and distributor of peripherals, Bigben Interactive, is proud to announce its latest launch; the officially licensed Revolution Pro-Controller.

Coming to market as the result of a newly formed licensing partnership with Sony Interactive Entertainment Europe Ltd., the Revolution Pro Controller has been optimised in order to be fully compatible with the best-selling PlayStation®4 (PS4™) platform.

Developed with the eSport player in mind, Bigben Interactive's team of industrial designers and engineers collaborated with pro-gamers to ensure the final Revolution Pro Controller would meet a range of gameplay needs.

Commenting on the partnership and launch is Alain Falc CEO of Bigben Interactive, who said: *"We are incredibly proud of our collaboration with Sony Interactive Entertainment Europe and are very pleased to be able to introduce the Revolution Pro-Controller to PS4 players."*

"The controller's easy-to-use capabilities give fantastic control, as well as a slick experience. We are confident that the Revolution Pro Controller will enable players to enjoy seamless integration with the games they love. We look forward to talking more about the product and features soon"

Available this holiday season, The Revolution Pro Controller will be sold under the NACON™ peripherals brand.
