Opinion on the outlook for industrial production*

Balance of opinions is AWDA. In the context of the lockdown, activity levels hardly changed compared to October. The

Opinion on the outlook for services activity*
Construction industry improved, while the automobile sector declined.

Balance of opinions is AWDA. Expected last month, at the start of the lockdown, activity dropped significantly,

but to a lesser extent than in March-April. Accommodation and catering services, car repairs, leisure

Telecommunications and IT, and e-commerce returned to their long-term average. Order books continued to

* A point, although they remained below long-term levels, to a rise than in the evolution of activity. Balances

of opinions may range from 700 to -200.

For further details, see [CON_IND_SER_BAT_2220_en_business-industry-services-construction-november-2020.pdf \(PDF - 90 Ko\)](#)

Business leaders expect activity to remain stable in December.

Business leaders expect little change in activity in December, although the situation may vary across

sectors.
