Manufacturing industry, market services and construction

Industry

Opinion on the outlook for industrial production*

Balance of opinions: SA-WDA slightly, especially in the chemicals, electrical equipment, and rubber and plastic products industries.

Opinion on the outlook for services activity*
Balance of opinions: Services activity remained stable overall. Accommodation and rental activities (renting of motor vehicles, etc.) reported a decline, linked notably to the lockdown measures; business services, telecommunications, computer programming, consultancy, legal and accounting activities) fared better.

Opinion on the outlook for construction activity*
Balance of opinions: Construction activity remained below normal levels for the second consecutive month.

* A point-by-point survey conveyed pointed to growth driven by commodity prices and an increase in the price of quotes.

For further details, see [CON_IND_SER_BAT_2236_en_business_survey_overview_april_2021.pdf](#)

The balance of opinion on cash positions and order books continued to improve.

Activity is not expected to remain little-changed in May.

Business leaders expect activity to increase slightly in May.

Business leaders expect activity to increase slightly in May.
