In France,

- The Bonds are initially offered in a private placement to persons within the meaning of article L. 411-2-II of the French Financial and Monetary Code; and

No subscription from the public in France will be accepted prior to the delivery of the AMF visa on the prospectus and the opening of the subscription period.

Repurchase of the 2017 ORNANEs (code ISIN: FR0011073006)

The Company, through the *Coordinateurs Globaux and Chefs de Files Associés* in the context of a reverse book-building process launched concurrently to the book-building process relating to the Bonds, collected the selling interests of holders of net share settled bonds convertible into new shares and/or exchangeable for existing shares of Assystem issued on 6 July 2011 (the “2017 ORNANE”) outside the United States of America, in redeeming their 2017 ORNANE.

At the close of the reverse bookbuilding process, the Company received indications of selling interests covering 2,292,445 2017 ORNANE, representing 54.8% of the 2017 ORNANE initially issued, for a unit price of €25.75, including accrued interests, representing an aggregate amount of €59,030,458.75.

The Company will repurchase the 2017 ORNANE off-the-market on the trading day following the settlement date of the Bonds, i.e. on July 18, 2014 (according to the indicative timetable) and subject to the settlement and delivery of the Bonds.

Further to the repurchase, c. 41.91% of the number of 2017 ORNANE initially issued remain outstanding.

Consequently, the Company will launch a repurchase offer in France on Euronext Paris during a period of five consecutive trading days, starting the trading day following the settlement and delivery date of the actual 2017 ORNANE repurchased, i.e. from 21 July, 2014 to 25 July, 2014 inclusive (according to the contemplated timetable), in order to ensure that all the 2017 ORNANE holders are treated equally. The unit repurchase price of the 2017 ORNANE for the standing repurchase order is €25.75, including accrued interests, equal to the unit price set via the reverse bookbuilding process.

The Company reserves the right to repurchase 2017 ORNANE on or off the market after the close of the reverse bookbuilding process and the repurchase offer.

The Company also reserves the right to ask for early redemption of the 2017 ORNANE in accordance with their terms and conditions, after the close of the reverse bookbuilding process and the repurchase offer.

The total number of 2017 ORNANE repurchased will be announced by the Company through a press release to be published after the repurchase offer. The repurchased 2017 ORNANE will be cancelled, according to their terms and conditions and in accordance with the law.

For the purposes of this paragraph, the notion of an “offer to the public of Bonds” in each of the relevant member States, means any communication, to individuals or legal entities, in any form and by any means, of sufficient information on the terms and conditions of the offering and on the Bonds to be offered, thereby enabling an investor to decide to purchase or subscribe for the Bonds, as the same may be varied in that Member State by any measure implementing the Prospectus Directive.
