* A positive (negative) balance of opinions corresponds to a rise (fall) in the evolution of activity. Balances of opinions remained above its long-term average across the board, but continued to be subdued. For further information on the survey, see the publications calendar, the contacts and all statistical time series published by the Banque de France can be accessed [WEBSTAT Banque de France](#)

Activity is expected to be stable overall in August, although food services are likely to see a decline due to the new health measures.
