Implementation of the share buyback programme

As part of the implementation of its share buyback programme, VINCI concluded a share purchase agreement with an investment services provider on 19 September 2014. The agreement sets a volume of 2,000,000 (two million) VINCI shares, or approximately 0.3% of the Company's share capital at the date of this press release.

This agreement complies with the maximum purchase price per share set by the VINCI Ordinary and Extraordinary Shareholders' Meeting on 15 April 2014.

About VINCI

VINCI is a global player in concessions and construction, employing close to 191,000 people in some 100 countries and generating 2013 revenue of €40.3 billion. We design, finance, build and operate infrastructure and facilities that help improve daily life and mobility for all. Because we believe in all-round performance, above and beyond economic and financial results, we are committed to operating in an environmentally and socially responsible manner. And because our projects are in the public interest, we consider that reaching out to all our stakeholders and engaging in dialogue with them is essential in the conduct of our business activities.

VINCI's goal is to build long-term value in this way for its customers, shareholders, partners and employees, and for society at large.
