RCI BANQUE ISSUES € 750 MILLION OF A 2021 BOND

RCI Banque issued today a 5 year bond for a total amount of € 750 million with a 0.625% coupon.

This fifth public issuance in euro in 2016 gathered a final order book of € 1.8 billion coming from almost 190 allocated investors.

The success of this deal, printed in a volatile period, demonstrates once again the market confidence in the financial strength of the company.
